Forwards (in duplicate) a copy of the resolution of the Aizawl Local Council re appointment of a Special temporary Staff & Sel- wallers Rights in the Aizawl municipality and premises to submit a detailed report on the several irregularities noticed by the Auditor

From the Dy Comr's letter of the 6th Jan: 1929 it is seen that ~~he~~ with a view to bring up the arrears of mun work up to date and to also to improve the tone of the working of the Aizawl Municipality in future the Dy Comr seems to have suggested to the Mun Council for the employment of a special Staff consisting of a Chief Officer of the Status of a Deputy Collector and an additional clerk temporarily for 6 months but the Mun Council have resolved to appoint only an additional clerk on Rs 257 and to grant an extra allowance of Rs 57 to the present Mun Clerk for a period of 4 months. They plead their inability to employ a Chief Executive Officer owing to the paucity of funds

The Dy Comr says that it is not possible to expect that with the entertainment of an addl clerk as now decided by the Mun Council, what could not be done during the past many years with the sanctioned establishment

Sir

1999.

With reference to your letter No L 4084/L B 52-28-3 dated 5th December 1928, forwarding for report with the explanation of the officers concerned, the note of the Assistant Comptroller, In charge of Local Audit Department on his inspection of the account of the Arkalgud Municipality in September 1928, I have the honor to state that before the receipt of your letter, the Comptroller to Government having sent to me a copy of the notes of inspection under reference, I have called for the explanation of Mr B T Kempanna, the then President of the Arkalgud Municipal Council and now Chief Officer, Davangere Municipality, through the Deputy Commissioner of Chitaldrug I have also called for the explanation of the present Municipal President Mr D Solomon and the Vice President as also that of the Municipal Clerk, and am awaiting the same Soon after I get their explanations, I shall submit them to Government along with my report

2 I submit that as could be seen from the notes of inspection of the Assistant Comptroller, the working of the Municipality is very bad, and it is very necessary to set matters right immediate For at least about 5 years, the affairs of the Municipality have not been quite alright and early in 1926, Mr R Nanasamy Rao, the then Deputy Commissioner observed many omissions during the course of his inspection of the Municipal Office, vide this letter

letter No C 565-24 dated 17th March 1926 addressed to you Inspite of repeated instructions, matters have not improved at all The Municipal Council have not got any sub committee to supervise the affairs and there is no check over the accounts - These revenue of the Municipality is declining though there is scope for improvement The collection work is much neglected, and the outstanding arrears amounted to Rs 5284/- at the end of 1927-28 Besides, conservancy and sanitation are not properly attended to and this was one of the defects noticed by the Dewan during his tour in the district in March 1927 The Municipality has not taken action to frame many necessary byelaws and even the byelaws framed are not properly enforced All these omissions may be safely attributed to lack of supervision and interest on the part of the Municipal Council and the executive Amidst the heavy responsiblities and pressing duties relating to the general adminstration of the Taluk, the Amildar President of the Council cannot be expected to pay his close attention to the Municipal Administration and look to every detail, in as much as he has also the other Municipality, viz , Konanur to attend to In these circumstances, I suggested to the Municipal Council to consider the desirability of employing a chief officer of the status of a Taluk Sheristedar and an additional clerk temporarily for 6 months to bring the arrears of work up to date and improve the tone of the working of the Municipality But the Municipal Council have passed a resolution on 13th December 1928 to the effect that they cannot afford to entertain a chief officer with their slender resources but that an additional clerk on R25/- may be employed for 4 months and the present permanent clerk also given an extra allowance of R5/- per mensem for the said period In submitting the resolution of the Council, the President reports that the Vice President has undertaken to attend the office daily and set right what is in disorder now inthree months He recommends that for the present, the proposal of the Municipal Council may be approved and states that if satisfactory progress is not shown within three months, the question of appointing a

Chief Officer will be taken up and considered He also states that he will look into the affairs and watch progress personally The Municipal President's report and the copy of the resolution of the Municipal Council are enclosed for reference

3 As stated above, not only is the office work in disorder but also the out door duties have to beattended to and regularised To set matters right in both these directions, proper guidance by a responsible and experienced Government official is very essential The municipality has not got at present any responsible executive subordinate other than a poor Sanitary Maistri to look after their affairs One Mr M N Naganna, a local merchant dealing in Octroi dutiable articles also has been the Vice President during this and the previous terms of constitution of the Municipal Council He is a layman not conversant with rules and regulations His supervision over the office work cannot be of much use in rectifying the defects, which are purely a technical nature, in as much as it would not help the outdoor duties such as collection of revenue etc , to improve matters in the least Besides there were loud complaints of octroi smuggling against him on two occasions It is not -- possible to expect that with the entertainment of an additional clerk only, what was not done during the past many years with repeated instructions could be done now in three months without proper guidance and supervision In 1926, a temporary Clerk and a Shekdar had been entertained for about 10 months to clear up arrear of work that had accumulated, but no satisfactory progress was -- achieved

4 In view of these circumstances and of the fact that the extra cost involved in my proposal made to the Council amounts to only P 542/- as against Rs 120/- now proposed by the Council, which is not after all much, I strongly recommend that a chief officer on a pay ranging between Rs 57/- and 77/- and an additional clerk on Rs 30/- may be ordered to be entertained by the Municipality for a period of 6 months immediately, so that the working of the Municipa

may be brought to order without further loss of time I request you to place the matter before Government and obtain their sanction to my above recommendations at a very early date

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hassan District
